

Waterfall Walking Track: **1 Hour Return**
Travel up Inglis Street and follow the contour of the hill until you reach the signpost. Climb up through a gully of native bush until reaching a picturesque waterfall and pool. The track is maintained by local community groups.

Motuweka Pathway: **45 Minutes Return**
Motuweka pathway provides walking access to the end of the South Mole, the entrance to Havelock Marina. An ongoing revegetation project has enhanced the Path. Interpretation panels assist in the identification of the varied bird life that makes its home in the Kaituna Estuary. A loop walk back to town can be achieved by returning via the Havelock Cemetery.

Cullen Point Loop Track: **CURRENTLY CLOSED**
45 Minutes to 1 Hour depending on fitness level. Starts 4.5 km from Havelock Township. Cullen Point loop track provides varied terrain around the Cullen Point headland and passes through native bush on the western side of the point and open grass and brush land to the east.

Cullen Point Trig: **20 Minutes**
A great track for those short of time. A walk up to the top of the headland is rewarded with views down the Pelorus Sound and up the Pelorus Valley.

Link Pathway:
The Link Pathway is complete from Havelock to Picton, and into Anakiwa (42 km total), except for 1.5 km at the end of the Mahakipawa Arm, where the edge of the road can be used by walkers or cyclists. There are also several small sections (10 metres or less) where the road shoulder can be used until footbridges are constructed. The boardwalk across the estuary in Havelock is open.

Havelock Community Association
61 Main Road, Havelock, Phone 03 574 2555
